MEMORANDUM

The Court has granted the Defendant's request for removal of his ankle bracelet. The basis of the Court's decision is Defendant's full compliance with his pretrial conditions of release and the Court's order assumes that the Defendant will remain fully compliant with all conditions between now and his sentencing. The Court also notes that probation has Defendant's passport in its possession, and the Court has considered the Defendant's strong ties to the community.

For these reasons, the Court has granted the Defendant's motion to remove his ankle bracelet. To do so, he should reach out to his probation officer.
